

**Company:** First Berlin Equity Research GmbH  
**Location:** Berlin, Germany  
**Remuneration:** Competitive  
**Position type:** Full-time employee

First Berlin provides the institutional investment community with independent equity research. Our focus is on small- and micro-cap companies with low visibility and high earnings potential listed on the German stock exchange or in the pre-IPO stage. We are committed to providing our clients with prompt, impartial and high-quality service.

## Senior Research Analyst

### The role will entail:

- Generating investment ideas in the form of in-depth written reports as well as shorter updates
- Liaising with the management of our covered companies to keep up with their latest developments
- Communicating investment ideas to both our internal sales people and our client base

### Candidates will ideally:

- Be fluent speakers of both English and German and be able to write clear and concise English
- Be able to work to tight deadlines
- Have a very good command of valuation techniques and financial modelling
- Possess ACA or CFA qualifications
- Have at least five years of relevant experience
